

Syllabus Update

Mr. Mauro Alvarado

Science

El Paso High School Room 411

Starting the 2nd Nine-Weeks of the school year 2014-2015 (Monday, October 20, 2014), the extra 2 points for each hall pass will not be awarded anymore to the 9-Weeks Final Grade. Students will still need to wear ID in order to use a Hall Pass. **NO ID= NO HALL PASS!** No exceptions!

Also, successful students are expected to meet class deadlines for assignments, tests, labs, and projects. A major project or paper will be accepted late, but a penalty of 25 points will be assessed for each school day late. **NO MORE LATE DAILY/HOMEWORK ASSIGNMENTS WILL BE ACCEPTED!** Students who are absent from class due to school related activities are expected to make up posted assignments/tests during the teacher’s assigned tutoring upon the day the student returns to class. If a posted class project is due on a day that the student is out of school, the project must be turned in early or on the due date or the grade will immediately drop to a 75. (Tutoring is on Wednesday after school from 3:45-4:30). Students who are absent due to illness or family necessity are given the number of days absent plus one day to make up tests (that were assigned while the student was absent) and missed class work. (A student who is absent from school may be required to take a previously announced test upon returning to school at the discretion of the teacher).

Signing this paper means you have read and understand the update on the syllabus your son/daughter will be expected to follow daily in my class. Thank You and please do not hesitate to contact me at any time at the contact information above.
